Firms are keen to extract still more happiness from their employees as the service sector plays an ever greater role in the economy. Run-of-the-mill service firms are fighting for their lives against discounters as customers prefer their service with a smile rather than a snarl.

Wilson challenged our culture’s blindly insistent pursuit of happiness at all costs. 

The Prophet Jeremiah launches this week’s haftarah with a poignant question: ‘Against Happiness’

The Times Picayune says: “Mixing anecdotes, arguments, and his own quirky persona, the author of ‘Against Happiness’ delivers a provocative meditation on morbid curiosity and the pleasure of seeing others suffer.”

Choosing against happiness: Ron Rolheiser

The Consultant’s Crusade Against Happiness: Forbes

But the discovery that happiness is linked to prejudice suggests a different kind of case against it. Does happiness, whether desirable or not, in itself lead to undesirable consequences in other words could it be bad for you and for society the burgeoning new science of happiness hasn't paid a lot of attention to this question.

The Consultants’ Crusade Against Happiness: Forbes

The idea that making employees happy is good for business makes some people in the “engagement” industry bristle. Equating engagement and happiness “makes my ears ring and my mouth twitch,” FORBES contributor Maren Hogan wrote last year. “There’s no proof that happy”
