Here is the Bitter Truth of It

December 23rd, 2019 Sweet almonds often simply referred to as just “almonds” are the kind you find in your food candy and everyday nut jars. These are grown in many places in the US and are a favorite snack for many people. However, bitter almonds are pretty much what the name implies. They have a bitter aftertaste but otherwise look like almonds.

Bitter almond definition of bitter almond by merriam webster
December 24th, 2019 Bitter almond definition is an almond with a bitter taste that contains amygdalin also a tree prunus dulcis amara producing bitter almonds.
