October 9th, 2018 This app is dedicated to one of the most difficult lexical topics in the English language Idioms All English language learners face these unusual phrases from the very beginning of their curriculum

‘english language idioms

October 18th, 2018 An idiom is a mon word or phrase with a culturally understood meaning that differs from what its posite words denotations would suggest for example an English speaker would understand the phrase kick the bucket to mean to die – and also to actually kick a bucket
Idioms and idiomatic expressions are used frequently in spoken and written English and so this is a useful area of the language to learn. Since idioms are phrases where the words together have a meaning that is different from the dictionary definitions of the individual words, this can make idioms hard for ESL students and learners to understand.
