'guardians of the galaxy amp x men the black vortex books
guardsian of the galaxy all new x men the trial of jean

june 16th, 2014 and on to the guardians of the galaxy blended with all new x men at the trial of jean grey firstly i loved the drawing style in the first issue starlord in the bar looked particularly dashing despite the horribly skimpy outfits that some of the female leads wear at least gamora is mostly well dressed

why guardians of the galaxy might not have happened with x
january 10th, 2018 three years later guardians of the galaxy vol 2 followed and also impressed critically and mercially so yes it's taken a long time for the prospect of the x men and fantastic four appearing in the mcu to finally be within grasp but because we got these versions of the guardians in the meantime i'm fine with the tradeoff

'when the guardians of the galaxy and x men teamed up'

april 23rd, 2017 what happens when guardians of the galaxy all new x men nova guardians team up legendary star lord cyclops and captain marvel team up the black vortex of course which also included a pair of issues called guardians of the galaxy amp x men the black vortex alpha and omega over in the pages guardians of the galaxy and x men black vortex 2015
