replace honda cb450 swingarm bushings classic motorcycle

August 8th, 2017 Honda CB450 swingarm bushings have a reputation for wearing out prematurely. Early CB450S like our subject 1970 CB450K4 used metallic bushings while later ones apparently switched to plastic. A material more than a few manufacturers embraced for ease of installation whether early or late CB450.

1987 Honda CB450S Motorcycle

December 19th, 2019 I was on a different website and apparently a person there had the Honda CB450S in Europe brought back to Canada. He is trying to locate a service manual that covers the CB450S. I took a look on the link in the forum for downloading motorcycle manuals but could not find one for the CB450S.
