posted on eBay As much as I
hate to do this the time has e for
me to sell this awesome LS3
IS300 I have nine cars and no
time to enjoy them all I would rather see someone else use the car the way it was meant to be.

For an engine swap:

december 15th, 2019 an engine swap is the process of removing a car's original engine and replacing it with another this is done either because of failure or to install a different engine this article is focused on swapping in a different engine that is more powerful and typically one that is more modern.
