Key Characteristics of Effective Leadership Baker Donelson
December 16th, 2019

Another top leadership trait is the ability to look ahead with a sense of direction and concern for the future of the organization. Strong leaders see beyond the present and plan strategically for the long term. They engage their team in a forward-looking manner to sell the vision in order inspire and motivate them.

The five trademarks of agile organizations mckinsey
December 23rd, 2019

The trademarks include a network of teams within a people-centered culture that operates in rapid learning and fast decision cycles which are enabled by technology and a monopurpose that co-creates value for all stakeholders. These trademarks complement the findings from “how to create an agile organization.”

EP281 5 Strategies I Use to Stay Focused and On Track from
August 13th, 2019

It's easy to get caught up in daily tasks and neglect the goals we have set for ourselves. Sometimes fear or uncertainty cause us to procrastinate, and we need to shift our mindset to stay on track. Sometimes we lack the accountability we need to meet our goals. Whatever the reason we lose focus, there are strategies we can implement to.
